PICT IEEE Student Branch – R&D Team

1. Objective

To cultivate a strong research-driven environment at PICT by enabling students to develop technical depth, contribute to impactful projects, and participate in global IEEE programs. The R&D team aims to empower first, second, and third-year students to collaboratively build solutions for real-world problems through hands-on research, sustainability initiatives, and industry-academic partnerships.

2. Quarter-wise Activity Plan (2026)

Q1: Foundations & Orientation (Jan–Mar)

Activity	Description	Tentative Date	Team Size	Owner (Responsible Person)	Support
Research Orientation & Basics Bootcamp	Intro to research, literature review, documentation	**20–25 Jan 2026**	12–15	**R&D Team (3rd yr)**	6–8 second yrs, 4–5 first yrs
Formation of Research Circles	ML, IoT, Cybersecurity, Sustainability domains	**1–10 Feb 2026**	25–30	**Circle Heads (2nd yrs)**	First yrs + 3rd yr mentors
Expert Talk Series (IIT/IISc/PICT Alumni)	Foundational research talks & Q&A	**Late Feb – Early Mar (25 Feb / 5 Mar)**	6–10	**External Relations**	First-year, second yrs volunteer team

Q2: Project Kickoff & Proposal Preparation (Apr–Jun)

Activity	Description	Tentative Date	Team Size	Owner	Support
Launch of R&D Projects (2–3 Domains)	Start pilot projects in AI/IoT/Sustainability	**5–15 Apr 2026**	15–18	**Domain Leads (2nd yrs)**	First yrs + 3rd yr mentors
IEEE Proposal Preparation (NIP, EPICS, Tech4Good)	Internal call + mentoring	**Late Apr – May (20 Apr → 25 May)**	10–12	**R&D Team**	3rd yr reviewers + first/second yrs
Sustainability Initiative Kickoff	Green Labs + e-waste reuse drive	**1–10 Jun 2026**	8–10	**PISB Team**	5–6 first yrs

Q3: Development & Collaborations (Jul–Sep)

Activity	Description	Tentative Date	Team Size	Owner	Support
R&D Project Development Phase	Active model building & prototyping	**5 Jul – 25 Aug 2026**	15–20	**Project Leads (2nd yrs)**	First yrs + 3rd yr mentors
IIT/IISc Mentorship Sessions	Quarterly calls with research scholars	**Mid Aug 2026 (10–18 Aug)**	6–8 teams	**Collaboration Lead (3rd yr)**	2nd yr team heads
Industry Research Talk	1 major talk (MSR/TCS Research/Alumni)	**Early Sep (5–10 Sep)**	6–8	**Industry Relations Lead (2nd yr)**	First yrs (execution)

Q4: Review, Submissions & Reporting (Oct–Dec)

Activity	Description	Tentative Date	Team Size	Owner	Support
Internal Review of R&D Projects	Final milestone evaluation	**10–20 Oct 2026**	10–12	**R&D Lead (3rd yr)**	Project teams (2nd + 1st yrs)
Final IEEE Proposal Submissions	NIP, EPICS, HAC, Tech4Good	**1–30 Nov 2026**	10	**Funding/Proposal Head (2nd yr)**	3rd yr review committee
Sustainability Annual Summary	Summary on Green Labs, e-waste, energy use	**Early Dec (5–12 Dec 2026)**	6	**Sustainability Lead (2nd yr)**	First-year analytics team

Team Roles (Short Summary)

First Years: Documentation, surveys, prototyping assistance, event execution
Second Years: Project ownership, proposal writing, domain leadership
Third Years: High-level guidance, architecture, review, external collaborations
